# Celebrity Song

We are the members of the Clear Brook Celebrities.

We come from Friendswood, Texas. Yeehaw!

We have blondes, reds, brunettes.

We're all for one, we're one for all.

We're all Celebrities.

Each girl stands, her head lifted so high.

Her motto: dance or die.

She's not one to use or need an alibi.

We are the members of the Clear Brook Celebrities.

We come from Friendswood, Texas. Yeehaw!

We have blondes, reds, brunettes.

We're all for one, we're one for all.

We're all Celebrities.

## Fight Song!

Fight on you Wolverines!  
Fight on for the victory!  
Our banner is flying high.  
Victory is our cry.

Fight for red, black and silver.  
Fight for the victors' thrill.  
Our spirits will never die.  
Victory Clear Brook High!

B-R-O-O-K!

CLEAR BROOK ALL THE WAY!

W-O-L-V-E-R-I-N-E-S! YES!

Fight for red, black, and silver.  
Fight for the victor's thrill.  
Our spirits will never die.  
Victory Clear Brook High!

# School Song

All hail to Clear Brook High.

We pledge our loyalty to thee.

The red, black, and silver will always be

As we join in unity.

And through the years we will be true.

With pride, we'll always honor you.

Stand tall and proud forever more.

March on Wolverines, march on!
