Parents of Clear Brook Athletes

Dear Sir or Madam,

It's that time of year again; time for your child to receive their yearly sports/fine arts physical for participation with Clear Brook High School. We are happy to provide you and your child the opportunity to receive their athletic physical for the 2016-2017 school year early, again at little cost to you.

**Houston Methodist Hospital** and their team of specialists (Internal medicine, cardiology, neurology, and orthopedics MDs) will be conducting a mass physical for the entire student athletes, fine art students and intermediate schools in Clear Creek ISD.

Physicals will be performed on **Saturday, May 14 beginning at 9:00 AM** for all Clear Brook students and the intermediate feeder school, Brookside Int. and West Brook Int. at **Clear Springs High School**.

Remember, physicals are **mandatory for all students** participating in either high school or middle athletics. **Cost is \$25, Cash or Money Order only. (Money order should be made out to Clear Brook HS.) No checks will be accepted!** This is comparable to paying up to \$50+ for a physical at many clinics and doctor's offices.

A copy of the physical forms, as well as the emergency information sheet, and medical history sheet should accompany this letter. Please fill out pages 1 through 3 completely in blue or black ink, and have your child bring it to the staff athletic trainers. If you elect to use your own physician for the physical, please have them fill out page 4 (titled "Pre-participation Physical Evaluation") after you have completed pages 1-3. By CCISD policy, this physical may not be performed before April 1, 2016 to be valid for the 2016-2017 school year. If you have any questions or concerns, please do not hesitate to contact either athletic trainer.

We are looking forward to yet another great year of Clear Brook Athletics.

Sincerely,

*P.S. Remember, physical are mandatory for all Fine Art students and athletes. According to the UIL, your child may not try-out or participate in athletics (practice, game, or athletic period) until their physical and emergency information is complete and on file in the training room.*
